

## SRIA's ON THE MOVE TO A NEW NATIONAL OFFICE

From 1 July 2011 the Steel Reinforcement Institute of Australia's (SRIA) National office will be located at 71 Ridge Street, Gordon NSW 2072 (while our post office box will remain the same). This wonderful office is fitted out with dedicated training rooms up to an impressive 150 seat capacity with plenty of free street parking. This facility is already the head office of two prominent industry Associations being the Australian Window Association (AWA) and Australian Institute of Building Surveyors (AIBS).

The new SRIA contact details are:

Grd Flr, 71 Ridge St, Gordon NSW 2072

PO Box 418 Roseville NSW 2069

Ph: 02 9499 2152

Free call 1300 304 114

Fax: 02 9499 9471

## LAUNCH OF THE REFRESHED SRIA CORPORATE LOGO & BROCHURE

At the May 2011 SRIA Board Meeting a refreshed SRIA logo was launched:

A new SRIA Corporate brochure was also released detailing the SRIA core objectives, aims, history, services, capability, safety and sustainability area. If you would like a free copy of the new corporate brochure simply email us at [info@sria.com.au](mailto:info@sria.com.au) and we will send you a hard copy in the mail.

## SRIA WEBSITE REDEVELOPMENT

[www.sria.com.au](http://www.sria.com.au)

The SRIA is Australia's leading non-profit institute for reinforcing steel, providing the hub for knowledge, industry linkage and support. SRIA is well underway on its major redevelopment of its website which is to be released in the coming months. This important industry resource will focus on industry specific technical developments, research, presentations, seminars, support materials and publications, providing a valuable source of information on steel reinforcement.

Institute of Australia

## SERVICES SRIA PROVIDES

**Publications:** Written by experts in design, specification and construction SRIA publications are designed specifically for use by practicing engineers, architects, builders and government. Most are provided free of charge and can be downloaded from the website.

**Technical support:** A comprehensive technical advice service is available to the construction industry on the design and use of reinforcing steel in concrete. Activities are coordinated from the National Office in Sydney where professional staff respond to technical enquiries. Further specialised support is accessible through a broad network of experts.

**Office seminars:** SRIA staff regularly visit consulting engineers, specifiers and builders to discuss industry issues, projects and to further develop knowledge on the use of steel reinforcement and construction methods. Free in-house lectures are available on request.

**Special research:** Recent SRIA research projects include reinforcement bond tests and an extensive testing program for Class L mesh slabs. This important research is bringing the latest information and design requirements to practitioners.

**Industry leadership:** SRIA staff present technical papers at major national and international conferences on the latest advances in the use of steel-reinforced concrete. Copies of SRIA papers are available free of charge from the website.

**Professional development:** As part of its commitment to the future of Australia's building industry, the SRIA lectures at universities providing up-to-date design and specification materials free of charge to over 2,500 students every year.

**Awarding excellence:** The SRIA presents annual Undergraduate Award for Excellence in Reinforced Concrete Design. This is a cash prize for the student who gains the highest mark in the subject in which the SRIA lecture is delivered.

**Industry linkage:** The SRIA works collaboratively with like associations to develop areas supporting design, education and market development.

**Australian Standards:** The SRIA is committed to modern easy-to-use design standards for steel-reinforced concrete construction in Australia. The SRIA contributes to all related Australian Standards Code committees. SRIA staff will assist with queries regarding the interpretation of these standards.

For further information the SRIA can be contacted through its national office:

Roseville NSW 2069

## SRIA REGISTRATION FORM

To keep informed of the most recent industry developments, releases and presentations on steel reinforcement and to maintain your professional development register now for the new SRIA website database. Your details will remain highly confidential and we will ensure your reinforcement knowledge remains up-to-date.

You may register online at  
[www.sria.com.au/registration.html](http://www.sria.com.au/registration.html)

or fill out your details below :

Title:  Mr  Mrs  Ms  Dr

First name: \_\_\_\_\_

Last name: \_\_\_\_\_

Position: \_\_\_\_\_

Company: \_\_\_\_\_

Postal address: \_\_\_\_\_  
\_\_\_\_\_

Phone number (work): \_\_\_\_\_

Mobile Phone number : \_\_\_\_\_

Email: \_\_\_\_\_

and email, fax or post your details to SRIA National Office:

Post: PO Box 418 Roseville NSW 2069

Fax: 02 9499 9471

Email: info@sria.com.au

### Privacy statement:

SRIA will only collect information that is necessary for communication. By submitting your contact details you agree that the measures that SRIA take with respect to privacy and the disclosure of information as expressed in the privacy statement on the SRIA website are reasonable and that you consent to the scope of the disclosure being proposed.
